The Company's investment portfolio comprises 54 properties with approximately 1.9 million rentable sq. ft. of industrial and commercial space and a 50% interest in a 54 unit multi-family rental property. Approximately 99.5% of available space within the industrial and commercial investment properties is currently leased. The Company's development properties include a 50% interest in the Silverdale Hills Limited Partnership which owns approximately 1,407 acres of residential designated development lands in Mission, British Columbia. In June 2020, the partnership commenced development of 162 townhomes and 65 single family lots on the site, which consumed approximately 38 acres of land inventory. Sales and presales on the four phase townhome development and sales on the single family lots has commenced.

The COVID-19 pandemic has continued to cause economic disruption. The Company is currently well positioned, with a diversified income portfolio of industrial, office, retail, multi-family rental and residential assets. Approximately 82% of the Company's commercial investment properties are located in British Columbia where most of the provincial government restrictions have been lifted. These are uncertain and challenging times and management will be continuing to monitor business developments and market conditions and any effect they may have on the business.
